

# King Eider Class

Dear Parents/Carers

Welcome back to the Autumn term! This term our topic is Space, where we will be looking at: The Solar System, The Sun and Moon, Journeys to the Moon and into Space and much more.

## Literacy

This term we will be looking at the story 'The owl who was afraid of the dark' and we will be writing a story based on this. We will also be moving on, still linking with this story, to look at nocturnal animals and writing a report on the animals. We will also be looking at some space poetry. We will also be trying our best to do lots of work outside, so if you would like to bring some wellies and a waterproof coat in to keep at school then that would be great!

## Maths

We will be looking at counting using our times tables, reading and writing two digit and/or three digit numbers, estimating, ordering and adding multiples of 10 and/or 100.

## P.E

P.E will continue to be on a Tuesday p.m with Topscore, although Swimming will continue this term on a Friday; it will be for the year 3 children, and the year 2 children will be joining with Reception and Year 1 for an infant P.E. session.

## Reading

Please ensure children bring their reading books and orange reading records into school every day, once an adult has signed that a book has been finished then it can be changed for a book within that level. The books will still be changed up to 2 times a week to ensure comprehension and confidence with reading within that level.

## Rewards

In King Eider Class this term every child has a stars reward booklet, these are being used to motivate the children to achieve their best and they can earn a star sticker if they complete a good amount of work which is neat, well presented and good quality. The children throughout school we also receive merits instead of team points for rewards.

## Behaviour

We are using a sad and happy face system, where all children that are on the happy face on Friday will take part in a special chosen activity as a class.

Miss Kirkby
