

King Eider Class

Dear Parents/Carers

Welcome back to the second part of the Autumn term! This term our topic is Vikings, where we will be looking at: Who the Vikings were, where they came from, what they wore and ate and much more.

Literacy

This term we will be looking at Myths and Legends and writing our own based on these. We will also be writing instructions to make a Viking item in our topic sessions.

Maths

We will be solving problems using addition and subtraction, reading scales to the nearest division, looking at time, fractions and position and direction.

P.E

Swimming will continue this term on a Friday; it will be for the year 3 children, and the year 2 children will be joined with Reception and Year 1 for an infant P.E. session. We may also do P.E on Tuesday p.m.

Reading

Please ensure children bring their reading books and orange reading records into school every day, once an adult has signed that a book has been finished then it can be changed for a book within that level. The books will still be changed up to 2 times a week to ensure comprehension and confidence with reading within that level.

Homework

Thank you for all your efforts so far in helping the children to complete their topic based homework each week, it really has made a difference to class discussion and enthusiasm and interest with the topics. I have really enjoyed seeing the variety of objects, information and art work they have handed in and look forward to more this term:)

Kind Regards

Miss Kirkby

P.S. The children will also be bringing home their lines for the Christmas play so that they can practice with you, eventually without needing to look at them.
