Welcome Back

I hope you have all had a lovely summer break. It was wonderful to welcome the children back on Tuesday and great to meet lots of new pupils as well. Everyone had a good first week back, but there were certainly some tired children in assembly on Friday morning. The children have all begun to find out about the topics they are studying this term and we have started working to the new curriculum; this isn't a great change for the children as we have decided to keep the topic based approach which has been used previously and over the last 12 months numeracy and literacy lessons in the school have taken into account the new requirements.

We are looking forward to our harvest service and tea later this half term and teachers are planning visits and trips for their classes. This year TopScore will be supporting the PE delivered in school and are already in and working with the children. As always we have a busy time ahead which will mean lots of hard work but lots of fun too!

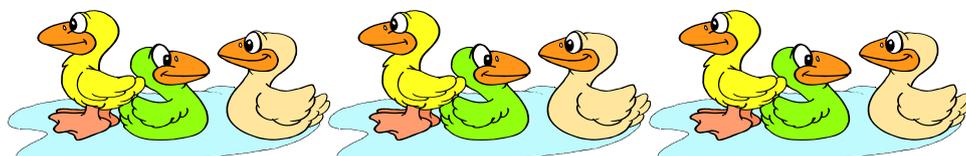

Our Harvest festival will be at 9:15am in Newton Regis Parish Church on Friday 10th October.

The school garden has produced a good crop this year, Mrs Smith has already harvested potatoes and cucumbers. The pumpkins and

Ducklings Nursery – 2 ½ year old provision

Over the summer holidays we received our certificate of registration for 2 ½ year olds. Please tell your family and friends, there are places available on some mornings and we plan to open by the end of the month. Visits are always welcome to the school so please ask anyone who maybe interested to contact the school office for an appointment.

After school clubs

This term after school clubs will cost £3 per child.
